## Let's Bike for the Bridge Together!

***BIKING SEASON ISN'T OVER YET!***

**Show your support for completing the D&L Trail!**

**Jim Thorpe, PA**

**Saturday, November 8th**

*It's a big project that needs your BIG support. Help us make this critical connection to link all five counties of the D&L Trail.*

**Registration: \$29, or \$45 with bike rental.**

**Call 1-800-944-8392 to reserve your space.**

Riders will enjoy biking the beautiful D&L Trail in the off-season from one of our newest trailheads in Luzerne County. From there we will pedal through the Lehigh Gorge, past Rockport and Penn Haven Junction to historic downtown Jim Thorpe. We'll ride along the Lehigh River and some of the most scenic mountains of northeastern Pennsylvania. Bike for the Bridge will bring riders together to enjoy this beautiful landscape and support a good cause. Please join us on one of the last big bike rides of the season.

We know you expect the D&L Trail to be easily accessible, convenient and provide a great outdoor experience. This ride is fully supported with bike techs and water stations. Riders, and their bikes, will be shuttled from downtown Jim Thorpe to their starting destination.

**Choose your option for this ride:**

- 36 miles from Black Diamond Trailhead to Jim Thorpe (10 a.m. start)

- 15 miles from Rockport to Jim Thorpe (12:30 p.m. start)

All proceeds will benefit the building the pedestrian bridge. This project will help complete the D&L Trail as it crosses the Lehigh River from historic downtown Jim Thorpe to the Lehigh Canal Towpath and Weissport Trailhead.

To register for this event, please call Pocono Biking to reserve your spot: 1-800-944-8392

Registration will also be available the morning of the event.

(Online registration is not available.)
