# Seasonal Canal Boat Crew Member

Delaware & Lehigh National Heritage Corridor, Inc.  
2750 Hugh Moore Park Road  
Easton, PA 18042

Compensation: **\$11.00/hour**  
Employment Type: **Part-time**

The Josiah White II is Pennsylvania's only mule drawn canal boat offering rides June - October. History comes alive as we tell the region's nationally significant story traveling a beautiful fully-watered stretch of the Lehigh Canal. The Delaware & Lehigh National Heritage Corridor is looking for flexible, people-oriented staff with excellent interpersonal skills to work as Seasonal Crew Members. Crew members are responsible for the operation and maintenance of the canal boat ride, the care and handling of the mules (Hank & George), and the historical interpretation of the Delaware & Lehigh National Heritage Corridor, the Lehigh Canal and Hugh Moore Park. A variety of excursions including daily rides, dinner cruises, charters and lock rides are offered.

**REQUIREMENTS:** Must be at least 18 years old. Experience handling and taking care of mules or horses helpful. Experience handling sailboats or other large boats desirable. Must have at least a high school diploma. Persons with education or experience in history, public speaking, or related abilities will be given preference. Must be able to lift at least 25lbs and to walk up to 6 miles a day. Must be able to swim. This post is subject to random drug testing per Coast Guard regulations.

**HOURS:** Normal work week will average 25-30 hours. Actual hours may vary. Staff persons in this position will generally work 5 days per week – Wednesday through Sunday, 11:00am-4:30pm. Crew Members must commit to work through the end of October.
