FOR IMMEDIATE RELEASE

D&L Releases Draft *DELAWARE CANAL VISION STUDY 2016*

EASTON (January 27) – *Easton, PA.* The Delaware & Lehigh National Heritage Corridor (D&L) is excited to announce the release of the draft ***Delaware Canal Vision Study 2016*** for public review and comment.

The ***Delaware Canal Vision Study 2016*** is the result of a collaboration between stakeholders, project partners and the public to seek creative ideas from the regional community about how this unique state park and National Historic Landmark might be sustained and improved in the 21st Century.

D&L project partners include: the PA Department of Conservation and Natural Resources, Delaware Canal 21, and the Friends of the Delaware Canal – with funding from the William Penn Foundation – to identify issues and opportunities along the entire 60-mile Delaware Canal State Park and D&L Trail from Easton to Bristol.

The ***Delaware Canal Vision Study 2016*** looks at each of the Canal municipalities and addresses the most important challenges facing the Canal in these communities. Opportunities and potential partners are identified with the goal of creating ***“New Partnerships for a New Era.”***

D&L and the project partners invite the public to review and comment on the draft of **The Delaware Canal Vision Study**. The PDF document is available to download at www.delawarecanalvision.org.

Comments can be emailed to Elissa Garofalo at elissa@delawareandlehigh.org through Tuesday, February 28, 2017. Please include page number and referenced text in the comment.
